

The City of **WORCESTER**

**Check your mail next
week for an important
letter from the City
about a new municipal
group electricity
purchasing program!**

**Worcester Community Choice Electricity
Aggregation** will offer you:

- ✓ more renewable energy
- ✓ more stable electricity supply costs
- ✓ strong consumer protections

You will be automatically enrolled into the program, but can leave at any time. Your participation will also help make the Worcester community more sustainable!

For more information, visit WorcesterCommunityChoice.com or contact customer support with the City's program consultants at 833-926-1207.

Worcester Community Choice Electricity Aggregation

The letter from the City will arrive in an envelope with both the City seal and also the name Direct Energy, the aggregation supplier.

While the program aims to be equal to or lower than the average of the regularly fluctuating National Grid prices, it cannot guarantee that it will be lower than National Grid's Basic Service price at all times because future prices are unknown.
