

CITY OF BEVERLY, MA

### Electricity Supply Product Summary for BEVERLY STANDARD *from Beverly Community Electric*

You will receive an electric supply product through Beverly Community Electric.  
Your electric utility, National Grid, will continue to deliver the electricity you use to your home or business.

<b>Price</b>	<b>13.919 cents per kWh.</b> This does not include the price that your electric utility will charge you for the delivery component of your electric service.
<b>Term</b>	The price is fixed from your enrollment through January 2026.
<b>Early Cancellation Fee</b>	There is no cancellation fee. You may leave Beverly Community Electric at any time with no fee or penalty.
<b>Automatic Renewal</b>	You will be automatically enrolled in Beverly Standard at a new price at the end of the contract term unless you inform the City otherwise. The new price may be higher or lower than the existing price. The City will contact you no later than 30 days before each automatic renewal to notify you of your supply options.
<b>Renewable Energy Content</b>	The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 62% renewable energy resources in 2024, 63% in 2025, and 69% in 2026. This product exceeds the minimum requirement and includes an additional 10% renewable electricity from MA Class I projects. The renewable energy content may change at the end of the contract term. If it does, the City will contact you no later than 30 days in advance of that change.
<b>Rescission Period</b>	If you have received this form as part of an automatic enrollment notice, you have until the deadline indicated on the notice to opt out and avoid automatic enrollment in Beverly Community Electric. You may leave Beverly Community Electric at any time after being enrolled with no fee or penalty.
<b>Competitive Supplier Information</b>	Beverly Community Electric is a program of the City of Beverly. The program is served by First Point Power, DPU license number: CS-082, 1-888-875-1711, <a href="http://www.firstpointpower.com">www.firstpointpower.com</a> . First Point Power is only responsible for the electric generation portion of your bill.
<b>Electric Utility Information</b>	National Grid will continue to deliver the electricity that you use in your home and is responsible for the delivery charges that appear on your monthly bill. If you have questions about the delivery portion of your bill, contact National Grid at 800-322-3223, or visit its website at <a href="http://NationalGridUS.com">NationalGridUS.com</a> .

The Massachusetts Department of Public Utilities recommends that consumers visit the Energy Switch website to view the broad range of available electric supply products, including your electric utility's Basic Service price. You can visit the website at <http://energyswitchma.gov>.
