

Swampscott Community Power

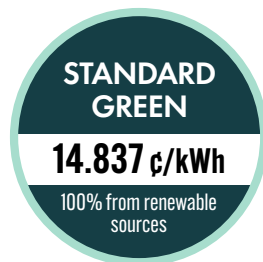

Swampscott Community Power is a Town electricity supply program that gives residents and businesses more choice and control over how we power our community while taking a big step toward achieving our sustainability goals. The program is a group electricity buying program that changes the electricity supply price on your National Grid electric bill. More than 200 other cities and towns in Massachusetts have similar programs.

Using the bulk buying power of our community, Swampscott Community Power provides:

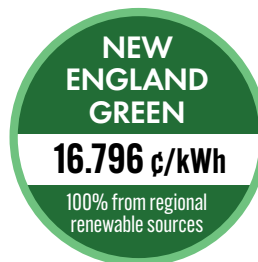

- Three electricity supply choices, including two 100%-renewable options.
- Fixed pricing until November 2027.
- Consumer protections.

Swampscott Community Power has three options. Choose the one that's right for you.

New electricity accounts will be automatically enrolled in Standard Green. New England Green and Basic are available by request. Choose online or by phone.

AUTO-ENROLL

OPTION

OPTION

All program prices are fixed until November 2027.

While the program has a history of providing savings compared with National Grid, National Grid's future prices are unknown, so future savings cannot be guaranteed.

Most new electricity accounts will be eligible for automatic enrollment.

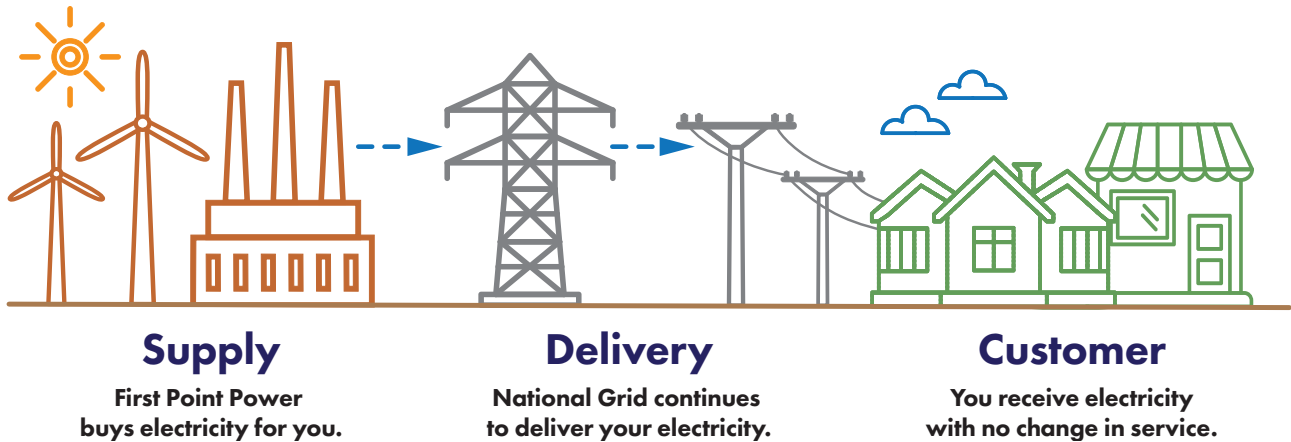

- **Have National Grid's Basic Service?**
If you did not sign a private electricity supply contract, your account will be eligible for automatic enrollment within a few months, and you will receive a notification in the mail from the Town. Swampscott uses an automatic enrollment model like similar programs in the state, but you are free to opt out before being automatically enrolled.
- **Have a private electricity supply contract?**
Your account will not be eligible for automatic enrollment, but you can request enrollment online at **SwampscottCommunityPower.com** or by contacting customer support with the Town's program consultants at **1-844-483-5004**.

Participation is never required, and you are free to opt out at any time with no fee or penalty.

That means you can opt out before being automatically enrolled and remain with National Grid's Basic Service price, or you can try the program and opt out at any time in the future.

How Swampscott Community Power Works

Swampscott Community Power changes your electricity supplier and the price that National Grid uses to calculate the Supply Services part of your bill, which is the part of the bill where you pay for the electricity you use. But Swampscott Community Power does not replace National Grid as Swampscott's electric utility, and you will remain a National Grid customer.

Two key changes on your electric bill:

nationalgrid

SERVICE FOR:
JOHN SMITH
1010 ANY STREET
ANYTOWN, MA
00000-0000

Supply Services

SUPPLIER: First Point Power - Swampscott Community Pwr
2000 Chapel View Blvd, Ste 450
Cranston, RI 02920

PHONE: 1-888-875-1711 ACCOUNT NO: 00000-00000

Electricity Supply: 0.14837 x 412 kWh
Total Supply

Other Charges/Adjustments

Paperless Billing Credit

Total Other: -\$ 0.3

1. Your electricity supplier will appear as First Point Power - Swampscott Community Pwr.

2. Your Electricity Supply price will change to a Swampscott Community Power price.

**Everything
else remains
the same!**

National Grid continues to:

- Deliver your electricity with no interruption and address power outages.
- Send your electric bill and accept bill payments (this is the only electric bill you will receive as a participant).
- Provide a low-income discount if you currently receive that benefit. You will also continue to receive fuel assistance.

The **ONLY** electricity supply program approved by and from the Town of Swampscott. If you don't see the Town Seal, it's not from the Town.
