

An important message from the Town of Sutton about a change in your electricity supply price

December 5, 2025

Sutton Power Choice prices are falling.

Your electricity account is enrolled in Sutton Power Choice, our Town's group electricity buying program. The program is offered as a service from the Town for the community. It provides a competitive, stable price for the supply services portion of your National Grid electric bill. Under state law, most electricity customers are enrolled automatically.

Within the program, you have selected the **Power Choice Green** option, which means your electricity supply is 100% from renewable sources.

In January, the program's current electricity supply contract with Constellation will expire, and a new contract with First Point Power will go into effect. The new contract will bring **new, lower prices**.

- Your electricity supply price will **drop** from 15.911 ¢/kWh to **14.947 ¢/kWh**.
- Your new price will be in effect for 24 months and will not change from **January 2026 - January 2028**.
- Your new price is **below** National Grid's current residential Basic Service price. National Grid's prices are available on the other side.

Because National Grid's prices change and their future prices are unknown, future savings compared with National Grid cannot be guaranteed.

Your new, lower price:

14.947 ¢/kWh

Look for it on your February bill.

It's your decision. Make the choice that's right for you.

- ▶ **If you want to continue participating: No action is required.** Your enrollment in the **Power Choice Green** option will renew automatically at 14.947 ¢/kWh in January, you will continue to receive electricity that is 100% from renewable sources, and you will see the new, lower price on your February 2026 National Grid electric bill.
- ▶ **If you want to pay less:** Choose the Power Choice Standard option to receive the minimum amount of electricity required by state law and the lowest price in the program for 14.142 ¢/kWh.
- ▶ **If you want to leave the program:** You can opt out and receive National Grid's current Basic Service price or sign your own contract with an electricity supplier. See the other side for National Grid's current prices.

Your enrollment will renew here
automatically

To choose the Power Choice Green option or to opt out, visit SuttonPowerChoice.com
or contact customer support with the Town's program consultants at 844-483-5004.

Sutton Power Choice Green comparison ▼

If you opt out ▼

POWER CHOICE GREEN	Your CURRENT price	Your NEW price	NATIONAL GRID BASIC SERVICE
Price	15.911 ¢/kWh	14.947 ¢/kWh	15.484 ¢/kWh - residential 14.411 ¢/kWh - commercial 17.420 ¢/kWh - industrial SEMA 17.130 ¢/kWh - industrial WCMA
Price period	September 2025 - January 2026	January 2026 - January 2028	August 1, 2025 - January 31, 2026, residential and commercial. November 1, 2025 - January 31, 2026, industrial.
Electricity from renewable sources (% of total)			
Required by state law	69%	69%	69%
MA Class I RECs Added by Sutton	20%	20%	-
National Wind RECs added by Sutton	11%	11%	-
Total renewable content	100%	100%	69%

Additional information:

- **Sutton Power Choice has saved participants more than \$6.9 million** compared with National Grid's Basic Service prices since the program's launch in 2017. However, because National Grid's prices change and future prices are not known, **future savings cannot be guaranteed**.
- **70% of all electricity accounts in Sutton participate in Sutton Power Choice**, including 75% of all residential accounts.
- **Your electricity supplier will change to First Point Power.** On your bill, you will see "First Point - Sutton Power Choice." As always, your primary relationship for electricity remains with National Grid, and you will continue to call them if your power goes out. In addition, National Grid will continue to send your electric bill, and this is the only electric bill you will receive as a participant in Sutton Power Choice.
- **If your account is tax exempt**, you must submit your tax-exemption documentation to First Point Power. Tax-exemption documentation must be submitted each time the program's electricity supplier changes. For information on where to submit your tax-exemption documentation, visit the Resources section of SuttonPowerChoice.com.
- **At the end of the new contract with First Point Power**, the Town intends to sign another long-term contract. The electricity supplier and renewable energy content may change, and the price may be higher or lower than the current price. You will continue in the same program option at the new price unless you inform the program otherwise. The Town will provide advance notice of any such changes, and you will be free to opt out or change your option before the changes take effect.
