

City electricity program notification of automatic enrollment

June 26, 2026

You are receiving this notice because your electricity account is eligible for AUTOMATIC ENROLLMENT in Greenfield Light & Power.

Your electricity account number is shown on the enclosed reply card.

Greenfield Light & Power is a group electricity program from the City that provides long-term, stable prices, new electricity choices, and electricity that is 100% from renewable sources.

Participating in Greenfield Light & Power means:

- The supply price on your Eversource electric bill will change to **13.090 ¢/kWh** and will not change until **November 2028**.
- Your new price is **lower** than Eversource's August 1 residential and small business Basic Service prices. See the other side for Eversource's prices.
Because Eversource's prices change and their future prices are unknown, future savings cannot be guaranteed.
- **100%** of your electricity will automatically come from renewable sources.
- You will remain an Eversource customer, and Eversource will continue to deliver your electricity and send your electric bill.

Your new electricity supply price:
13.090 ¢/kWh

Opt-out deadline:
July 29, 2026

Customer Support:
844-483-5004

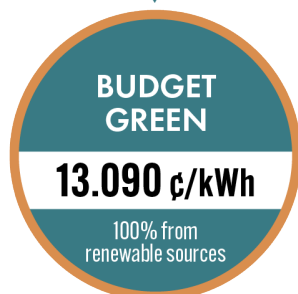

More information and self service:
GreenfieldLightAndPower.com

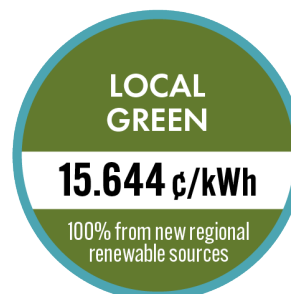

It's your decision. Make the choice that's right for you.

- ▶ **TAKE NO ACTION:** You will be automatically enrolled in the Budget Green option, and you will receive 100% of your electricity from renewable sources.
- ▶ **OPT UP TO THE LOCAL GREEN OPTION:** When you choose Local Green, 100% of your electricity comes from renewable sources in the New England region. You support local jobs and renewable energy on our local grid.
- ▶ **OPT OUT:** Participation is not required. There is no fee or penalty to opt out of Greenfield Light & Power, and you may do so at any time. To avoid automatic enrollment, submit your opt-out request by **July 29, 2026**. Or you may try the program and opt out at any time in the future.

Your account will be enrolled here.

AUTO-ENROLL

OPTION

To choose the Local Green option or opt out, visit GreenfieldLightAndPower.com or contact customer support with the City's program consultants at 844-483-5004.

Compare Greenfield Light & Power with Eversource's Basic Service ▼

	Auto-enrollment ▼		If you opt out ▼
			
Price	13.090 ¢/kWh	15.644 ¢/kWh	15.934 ¢/kWh - residential 15.604 ¢/kWh - sm. business 11.830 ¢/kWh - lg. business
Price period	Enrollment - November 2028	Enrollment - November 2028	Aug. 1, 2026 - Jan. 31, 2027, residential and small business. Aug. 1, 2026 - Oct. 31, 2026, large business.
Electricity from renewable sources <i>Added voluntarily by Greenfield</i>			
New renewable sources in the New England region (MA Class I RECs)	–	70%	–
Wind sources outside of New England (National Wind RECs)	31%	–	–
<i>Required by state law</i>			
New renewable sources in the New England region (MA Class I RECs)	30%	30%	30%
Other clean or renewable sources (other RECs)	39%	39%	39%
Total	100%	139%*	69%

* Participants in Local Green receive 100% of their electricity from new renewable sources in the New England region (MA Class I RECs). However, state law also requires all electricity suppliers to purchase Renewable Energy Certificates (RECs) from other sources even if the total number of RECs purchased exceeds 100% of the electricity used by program participants.

Additional information:

Your electricity supplier will be First Point Power.

On your bill, you will see "FirstPointPower - Greenfield L&P." But your primary relationship for electricity remains with Eversource, and you will continue to call them if your power goes out. In addition, Eversource will continue to send your electric bill, and this is the only electric bill you will receive as a participant in Greenfield Light & Power.

If you are eligible for a low-income discount or fuel assistance, those benefits will continue in Greenfield Light & Power.

If you have solar panels on your property or you participate in a community solar program, you will continue to receive your credits and/or incentive payments, and participating in Greenfield Light & Power will not change their calculation.

If you have a tax-exempt account, you are responsible for requesting an exemption from the collection of any tax by providing tax-exemption documentation to First Point Power. Visit GreenfieldLightAndPower.com to learn more.

If you have received this notice and also you have signed a contract with an electricity supplier, you may have signed

your contract after this mailing list was created. To continue receiving electricity from the supplier you chose and prevent any early termination fees from that supplier, **you must opt out of Greenfield Light & Power.**

The automatic enrollment model is in accordance with state law. More than 200 cities and towns in Massachusetts have similar programs, and all operate the same way. However, you are not required to participate. You may opt out at any time with no fee or penalty.

At the end of the contract with First Point Power, the City intends to sign a new long-term contract. The electricity supplier and renewable energy content may change, and the price may be higher or lower than the current price. You will continue in the same program option at the new price unless you inform the program otherwise. The City will provide advance notice of any such changes, and you will be free to opt out or change your option before the changes take effect.
